## CPC Yellow Pages Work

Palmetto Carpet Care has been servicing the Lowcountry for the past five years. Our company is unique in that we handle residential and commercial work to include carpet care, tile and grout cleaning, upholstery cleaning and much more.

In that five years we have been advertising with CPC, our business has doubled with the advertising that we have in their yellow pages. In asking, we have found that this is the friendliest, easiest to utilize phone book in the area and one that other businesses choose to use as well.

Not only are their advertisements attractive, but so are their prices. The staff at CPC is easy to work with and they take pride in the work that they publish which is a huge benefit for customers like me. I want to thank you, CPC, for helping me grow and become a success through the years!

Sincerely,
